

FACE IT

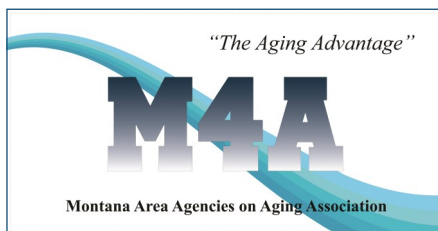

SENIOR FINANCIAL FRAUD HAPPENS!

One out of every 5 older adults falls victim to financial exploitation, most often perpetrated by family members. Senior financial fraud has no limits as to who it affects... it could even happen to you!

Sometimes it takes only one voice to make a difference. If you suspect this form of elder abuse, please speak up.

Join other Montanans in the fight against this growing problem. Let's face it and take a stand against senior financial fraud!
